SUMMARY

- I'm a first-year CSE AIML student at Karunya Institute of Technology and Sciences . Passionate about web development , I browse latest technologies
- Took part in the first round of SIH. I am committed to seeking guidance, learning from experiences, and turning challenges into opportunities for growth. My primary focus is on creating robust and efficient systems that power seamless and reliable functionalities. Excited about contributing to the evolving field of web development, I'm eager to make a meaningful impact.
